

Brief CV:

Mark W. Preminger, MD

Director, Implantable Arrhythmia Devices
The Al-Sabah Arrhythmia Institute
The St. Luke's and Roosevelt Hospitals
1111 Amsterdam Avenue
New York, NY 10025

Contact: Thomas Blanchette (212) 523-4017

Clinical Specialty:

- Clinical Cardiac Electrophysiology

Practice Locations:

- The St. Luke's and Roosevelt Hospitals; New York, New York
- The Valley Hospital; Ridgewood, New Jersey

Education:

- BA : The Johns Hopkins University
- MD: Hahnemann University Medical College

- Residency (Internal Medicine): North Shore University Hospital
- Fellowship (Cardiology): Cornell University Medical College
- Fellowship (Electrophysiology): Philadelphia Heart Institute Presbyterian Hospital

Research Interests:

- Prevention of Sudden Cardiac Death
- Ventricular Tachycardia
- Atrial Fibrillation and Flutter
- Robotic Catheter Navigation and Ablation

Languages spoken:

- French
